Phone : +82) 010-9178-2454

EDUCATION

Aug. 2024 ~	Korea Advanced Institute of Science and Technology (KAIST) School of Electrical Engineering M.S Advisor: Min Jun Kim	Daejeon, Korea
Mar. 2018 ~ Aug. 2024	Yonsei University School of Electrical and Electronic Engineering B.S Overall GPA : 4.14/4.3 Major GPA : 4.21/4.3	Seoul, Korea

RESEARCH INTERESTS

- Fault-Tolerant Control
- Model-based Control

RESEARCH EXPERIENCES

- Undergraduate Intern at Design and Architecture for Intelligent Systems Lab, Yonsei University, Korea (Jun. 2022 ~ Feb. 2023)

EXTERNAL ACTIVITIES

- AMD-Xilinx FPGA Game Design Summer Hackathon, AMD(Jun. 2022 ~ Jul. 2022)
- International Exchange Program, Electrical Engineering and Information Technology, Technical University of Munich, Germany (Mar. 2023 ~ Aug. 2023)

AWARDS AND HONORS

- Internal Academic Excellence Scholarship, Yonsei University, Korea (Aug. 2018)
- Internal Academic Excellence Scholarship, Yonsei University, Korea (Feb. 2019)
- Internal Academic Excellence Scholarship, Yonsei University, Korea (Aug. 2019)
- Internal Academic Excellence Scholarship, Yonsei University, Korea (Aug. 2022)
- Internal Academic Excellence Scholarship, Yonsei University, Korea (Feb. 2023)
- High Honors, Yonsei University, Korea (Aug. 2018)

-
- Honors, Yonsei University, Korea (Feb. 2019)
 - High Honors, Yonsei University, Korea (Aug. 2019)
 - Highest Honors, Yonsei University, Korea (Aug. 2022)
 - Honors, Yonsei University, Korea (Feb. 2023)

SKILLS

- Programming Language: C/C++, Python, Matlab, Verilog HDL, VHDL, ROS
- Language: Korean, English, German
